Complimentary Product Reviews

Product reviews are an opportunity for us to provide honest feedback about products to our audience. Give us 30 days to try your product, and if we like it, we'll share it via the site, on YouTube, or on social media.

Sponsored Posts + Videos

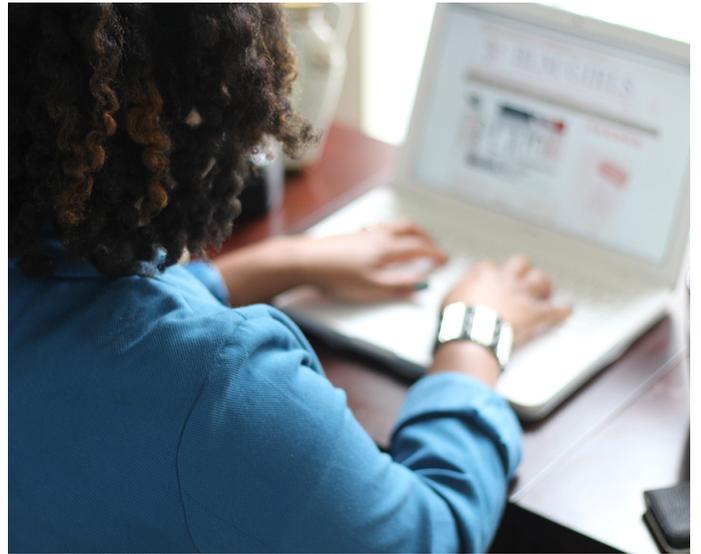

Sponsored posts and videos include creating influencer marketing campaigns with the brands we love. We develop content that incorporates your brand into our story on a timeline we agree on. Social media and email promotion are included.

Social Media Promos

Social media promo includes creating marketing campaigns with the brands we love to share on our social media platforms. We can share the content you provide, or create original content.

Complimentary Giveaway Hosting

Hosting giveaways is an opportunity to expose our audience to the brands we love, while rewarding them for engaging with us. We manage all entries and select the winner/s, then you take it from there.

Event Participation

Jonna has years of experience as an event host, brand ambassador, moderator, speaker, and panelist. She is knowledgeable on topics such as hair care, beauty, style, blogging, and branding. Additional costs of travel, lodging and meals may be included.
